## COMPBOND WARRANTY ALUMINUM COMPOSITE MATERIAL

ALUMET SUPPLY offers the following limited warranty for the polyester coating on the surface of Compbond composite sign panels. This limited warranty is valid for composite panels used within 6 months after delivery. This limited warranty is only applicable to Compbond used for the manufacturing of signboard.

### 1. PRODUCTS:

This warranty pertains to the coating system (one coat) on the surface of aluminum composite panel. Color Code: CL-1906 White, CL-1905 Black coated with a polyester paint.

### 2. WARRANTY:

The warranty for the polyester coating applied to our aluminum composite panels is valid from the date of coating for up to 5 years under the following terms:

- a. No blemishes or damage of any substantial surface defect in material and workmanship.
- b. Will not rot, rust, corrode, develop structural surface cracks or require repainting or refinishing.
- c. Will not delaminate when installed or used according to Alumet Supplies installation and use recommendations.

### 3. LIMITATIONS:

- a. This warranty is only valid for ALUMET SUPPLY products that have been used within 6 months of the date of purchase. After 6 months from the purchase date, the product must be examined by ALUMET SUPPLY to determine if the warranty is still valid for the product.
- b. This warranty is only valid for normal environmental and weathering conditions. This warranty excludes damages caused by exposure to corrosive or aggressive atmospheres. Warranty for areas that are heavily polluted industrial areas, close to the coast, or have any other special climate conditions will be determined on an individual basis. The warranty is not valid for sheets exposed to salt spray and the surface of the ACP must be maintained by washing with fresh tap water (in accordance with AAMA 610.1-1979) at least annually and documentation of this maintenance must be provided upon request.
